

## **Referral Partner**

ATI's Referral Partners enjoy the benefit of introducing a superior solution for consideration to their business affiliates in exchange for a referral fee and peace of mind that the solution will exceed expectations. Referral Partners range from a single individual to organizations that are not prepared to become Authorized Representatives or Strategic Business Partners.

- No Capital Investment Necessary
- Utilize our well-versed engineering team to collaborate on mutually beneficial solutions.
- Remote Training is provided by All Tech Industries.
- Equipment, Materials/Products, Professional Services and Logistics (processing order, invoicing, project management, 20 year limited warranty, etc...) is provided by All Tech Industries.
- Referral Fee is processed at completion of project. You simply register with ATI prior to the order being processed and instruct us where the referral fee is to be sent.
- Referral Fee is based on 10% of the project's gross margin.
- There is NO limit to the number of projects a Referral Partner can participate on.
- Expand your ability to anticipate and respond to your customers' Insulation, Sealants and Coating needs. Many customers are using outdated products for applications which ATI has a superior solution that addresses immediate and future needs.
